Build Your Classes with Greater Confidence with Ravenna Admit™ and Kira Talent

Ravenna Admit™ and Kira Talent have partnered to deliver a premier admissions experience for K-12 private and independent schools. Kira's fully customizable, competency-based assessments help admissions teams identify the best prospective families for their school community with deeper insights into applicants and their families earlier in the admission process. Combined with the power of Ravenna Admit through a powerful two-way integration, schools can action deeper insights revealed during the application process, make more well-informed enrollment decisions, and increase efficiencies in processing applications.

“ Kira gives us the flexibility to easily assess for different skills and competencies while maintaining a structure and consistency to the assessment across all applicants.

Sylvester Cutler

Director of Enrollment Management at Greenhills School

Elevate Your Application Process with Efficient and Flexible Holistic Review

CONVENIENT FOR BUSY FAMILIES

Offer ultimate flexibility with Kira's Asynchronous Assessment that applicants and their families can complete when and where is most convenient for them.

Create an accessible assessment experience on Kira's platform that's seamless for parents and guardians, and easy to navigate for applicants of any age.

Support process transparency as prospective families track their application updates through the Ravenna Admit platform.

STREAMLINED FOR ENROLLMENT TEAMS

Maintain a centralized admin experience as the integration imports detailed applicant information from Kira Talent into Ravenna Admit, eliminating redundant data entry and consolidating all applicant information into one system for comprehensive reviews and decision-making.

Keep applicant data safe by eliminating manual data input. The Ravenna Admit integration for Kira Talent ensures all proprietary family data is kept secure throughout the application process.

Reduce the impact of bias in your reviewing process using built-in bias-mitigation features that help your team make informed decisions about applicants while limiting sources of inherent bias.

Easily adapt to changes in admissions policies with enrollment tools that are continually enhanced to meet current admissions standards and best practices, helping you effortlessly keep your processes up to date.

The Kira Talent platform provides the canvas for your custom content and design, allowing you to engage and evaluate applicants in a way that works best for your school.
