

K-12 Inclusive Suite by VenturEd Solutions

Empowering Schools. Supporting Families. Strengthening Connections.

Today's students are tomorrow's leaders, shaping their communities and meeting the challenges of our time. To support this journey, schools need a technology partner that empowers them to operate with efficiency and precision. VenturEd provides this solution with a comprehensive suite of integrated tools designed to simplify the entire student journey—from admissions and financial aid to enrollment, tuition management, and student retention.

Our K-12 Suite connects families, administrators, and teachers under a unified platform, enhancing collaboration and driving operational efficiency.

K-12 Inclusive Suite Connects Your School Community

“ The flexibility of the suite has enabled us to select the solutions that best fit our needs, while also being able to enjoy the benefits of working with one partner

Director of Admission & Enrollment Services, Villa Academy

Purpose-Built Solutions to Drive School Success

ATTRACT, ENGAGE, AND ENROLL WITH CONFIDENCE

The admissions and enrollment process is your school's opportunity to make a lasting first impression and demonstrate your commitment to excellence. VenturEd's purpose-built solutions simplify every step of the journey, offering an intuitive, user-friendly platform that guides families seamlessly from inquiry to enrollment. With tools that enhance transparency, communication, and efficiency, you can deliver a standout experience that reflects your school's values and vision.

EMPOWER EQUITABLE ACCESS TO EDUCATION

A strong financial aid program is key to growing enrollment and maintaining stability. SSS® powered by IRS integration, ensures fair access through proven methodologies and advanced verification tools. With a network of 1,900+ schools and over \$330 million in aid distributed annually, our solution delivers fast, secure processing—helping families access opportunities and schools make informed decisions with confidence.

STREAMLINE SCHOOL OPERATIONS

Say goodbye to the challenges of managing data across multiple systems. With our intuitive student information system, schools can now enhance efficiency, reduce administrative burdens, and focus on delivering exceptional educational experiences.

FOSTER A CONNECTED SCHOOL COMMUNITY

Strengthen the bond between school and home with our integrated, school-branded communication tools. Our solution ensures families stay informed and actively engaged with your community, fostering collaboration and support for student success.

REFINE TUITION MANAGEMENT AND ON-TIME PAYMENTS

Financial matters are personal and often sensitive for families. Our tuition and billing management solution makes it easier by offering flexible payment plans and secure, user-friendly online payment options. With over \$330 million in tuition and aid processed annually, our software helps schools improve on-time payments while fostering trust and convenience in every transaction.

SIMPLIFY PAYMENTS AND CONTRIBUTIONS

Families want convenience when managing school fees and tuition. Our secure, 24/7 PCI-compliant payment solution ensures seamless transactions for schools and families alike. With flexible payment options and user-friendly online access, schools can reduce administrative burdens, improve efficiency, and provide a stress-free payment experience.

Proven Results

For over 50 years, VenturEd Solutions has proudly supported K-12 private and independent schools, creating a thriving community that:
